Maldives Outdoor Swivel Chair Cover

Protect your outdoor furniture with this custom fit cover made for both durability and style. Covers are constructed of Sunbrella, a 100% solution-dyed 600 denier woven polyester, finished with a solvent-based, water repellent treatment. This specially formulated urethane coating is gentle on sensitive surfaces. The breathable fabric features a high mold and mildew resistance when covering furniture and cushions that have been properly cleaned and dried. Covers resist water, shrinking, fading, UV rays, and severe weather. Incredibly durable, the covers are tear- and stretch-resistant, beautifully holding their shape thanks to their tensile strength in both warp and fill directions. This cover stays securely in place with straps and buckles.
