## Remanence Rectangular Side Table in Hale Navy finish

Deceptively simple, the Remanence Side Table from Jonathan Charles is bright and whimsical, delivering a cheery punch in a small package. The hardwood solid case is packed with functionality, including a lipped top that doubles as a pull out tray, single drawer lined with a zany blue and white print, power supply access and cord management and a lower shelf for oversized items. Doused in Hale Navy with custom cast hardware, Remanence is the accent piece you'll add last but use the most.
