## Pasay Round Mirror

Textural playfulness results when strung Buri beads are fastened to the frame of our Pasay Round Mirror, particularly when the ends of strands extend beyond the edge of the dark brown decorative mirror. We also offer the Pasay as a rectangular mirror. For a lighter-toned version of these designs, see our Jeanie Mirrors.

Pasay Round Mirror  
A2 1000-0106

Dimensions  
787MM DIAMETER X 76MM DEEP
