Imperial White Modern Vase

The Imperial White Modern Vase is a decorative white vase that has its roots far in the past. The Imperial label is apropos for the porcelain vase because this piece is made of clay sourced from the area surrounding the kilns that produced objects for the Imperial estate during the heyday of the dynasties. The formulas to achieve the particular white on this vase's surface is a secret one guarded by ceramicist families devoted to the single colour. The glossy, crisp white hue was originally produced exclusively for those in high society
