Gentry Marble Console Table

For spaces that will welcome bold geometric patterns, the Gentry Marble Console Table will be right at home. The rectangular elements are fashioned from three different types of marble: Ambaji, Marquina, and Pietra Gray. Bringing a hint of brightness to the composition is the brass inlay that intersects on some edges where the marble pieces meet; the fact that they do so in a random composition adds interest to the black and white console table. The legs are metal-clad and sit atop a plinth base in gold.
