Cromwell

Nottaway Bronze Wall Sconce

The arm of the Nottaway Bronze Wall Sconce stretches gracefully from a half-spool shape that rests at the bottom of its stem, ornamented with a dainty ring. Though this is a seriously minimalist fixture, the profile of the aged silver wall sconce has a lovely fluidity to it that also makes it a natural choice for traditional and transitional interiors. The pyrite bronze finish on the wrought iron frame adds a heavy dose of textural interest.
