Yuriko Wall Sconce

As if it has sprouted a pair of lily petals that arc delicately away from each other, the Yuriko Wall Sconce is a crisp white creation until the interiors of those petals are glimpsed, as they are finished in a contemporary gold leaf that contrasts the gesso white beautifully. The brilliance of this design by Tom Caldwell doesn't stop there: it continues in the thinness of the stems from which the shades extend and the clean way they are fastened to the wall plate, as well as the pared-down wall plate itself.
