Verona Chanterelle Three Drawer Chest

The Verona Chanterelle Three-Drawer Chest is warmly handsome covered in brown lacquered linen with metal detailing in a champagne finish. The stretchers on this brown chest create added interest to enhance its flair. The beautifully detailed drawer pulls, which are wrapped in matching material in the middle and left bare on each end, grace each drawer with their metallic sheen. This is a sophisticated touch, as are the squared edges of the hardware that match the straight-edges on the stretchers. The door with its single pull, which hides two shelves and a drawer, is an elegant design move. Aimee Kurzner designed this chic drawer chest.
