Ramsgate Table Lamp

The textural surface of the Ramsgate Table Lamp is achieved by artisans who painstakingly apply concrete to a wrought-iron frame. The stippling that brings the Gray table lamp its edge contradicts the clean lines of the geometrical body. A design detail of note is how the finish is a bit smoother at the bottom to create an implied base.

Ramsgate Table Lamp

A2 6000-0736

Dimensions

406 X 406 X 813MM HIGH

Status

NOT IN STOCK
