Annabelle Desk Lamp

Suzanne Duin, who founded the Houston shop and design studio Maison Maison, conceived the Annabelle Desk Lamp. Known for a keen eye in sourcing authentic French antiques and home accessories from around the globe, Suzanne has created a line of woven light fixtures that are handmade by artisans in South Asia. The shade is made of water hyacinth, which brings a textural artistry to the composition. Equally sophisticated is how the thin stem is wrapped in the same natural material. The mole black finish on the woven lamp contrasts the beige tones beautifully.
