Marabout Black Floor Lamp

Sophistication just met its match with the Marabout Floor Lamp. Every aspect of the composition is chic, from the thin profile of the wrought iron stems in a blacksmith finish interconnected at the perfect points with crosshatches, to the black trim encircling the stacked shades. Designed by Pam Bailey, who was inspired by an Asian mid-century vintage piece she saw, the black floor lamp will up the ante on glamour in contemporary, transitional, and mid-century modern interiors. Think of it as that perfect pair of earrings for that little black dress!
