## Nadir Pendant

Tom Caldwell says of the Nadir Pendant that his goal was to clean up a simple transitional shape so the gold pendant would fit beautifully within contemporary rooms. The paring down of the lines and the simplification of the hanging hardware make this wrought iron fixture in an antique brass finish modern, while the frosted glass globe is a nod to vintage style.

### Nadir Pendant

A2 9000-0760

### Dimensions

406 X 406 X 387MM HIGH

### Status

NOT IN STOCK
