## Cromwell

## Calliope Chandelier

When Clarence Mallari designed the Calliope Chandelier, he was inspired by leaves on the bamboo plant. Though the stem and fronds of this tan chandelier read as if they are made of natural material, they are fashioned from wrought iron in a mix of coco cream and ivory finishes that are hand-applied by artisans. The flowing arrangement of the fronds is a design detail of note.

Calliope Chandelier

Dimensions 813 X 813 X 489MM HIGH
