## Wanstead Lantern

Achieving a traditional lantern shape entirely from wicker is a feat, one that was beautifully realized when artisans wove the Wanstead Lantern from the natural material. Both the thin and thick ribs intermingling to create the wicker lantern have been bleached to lighten the design. The vanilla finish on the hardware enhances the airiness of the lantern's profile.

Wanstead Lantern  
A2 9000-0994

Dimensions  
406 X 406 X 711MM HIGH

Status  
NOT IN STOCK
