Seashore N Dura Chaise in Slate Grey with Grey Sling

The Seashore Chaise with Arms N-DuraTM is a celebration of both form and function, blending timeless style with resilient materials. Crafted with N-DuraTM Wood, renowned for its luxurious look akin to natural wood and outstanding durability, it's designed to withstand diverse climates while maintaining its elegant appearance. The chaise also features the BatylineTM Outdoor Performance Sling, celebrated for its strength and quick-drying capabilities, making it ideal for use by the water or in any outdoor oasis. This chaise seamlessly marries robust construction with an aesthetic of relaxed sophistication.
