Avondale Lounge Rocker

Lovers of minimalism will be drawn to the Avondale Lounge Rocker, which is made of aluminium in a crisp chalk finish. The mid-century modern design that inspired it has been pared down to make this a contemporary outdoor rocking chair. The clean lines bring an uptick in style for added sophistication, and the powder-coated finish, which is ten times thicker than wet-coat paint, means the patio rocking chair will stand up to the elements during each changing season.
