Montauk Slipper

The MONTAUK SLIPPER features classic outdoor style in a charming woven wicker finish and creates a beautiful grouping when mixed with other pieces in the Montauk collection. Constructed from N-dura™ resin wicker, which has all the appeal of natural materials, this sofa is guaranteed to experience no significant colour change for 5 years, offering long-lasting, carefree enjoyment. Durable natural teak feet complement the raffia finish and easily withstand natural elements. Custom-crafted, water-resistant cushions add the ultimate relaxing finish. Finish: Raffia, Natural Teak
