Domus Writing Desk

The contemporary offset design of the 64-inch Domus writing desk is crafted from quartered oak veneers in a sandblasted and wire-brushed light Gray finish with custom brushed nickel hardware. The unit on the left features a concave geometric design with a storage drawer above and a file drawer below that will accommodate letter or legal files. The inset Brisa writing surface is both durable and cleanable, and the desk incorporates an integrated power unit with two USB jacks and two receptacles.
