La Costa Live Edge Writing Desk

This writing desk features a polished stainless base, Mahogany drawer unit and solid Trembesi live-edge top. The Trembesi tree, indigenous to islands in the South Pacific, has the look and characteristics of Black Walnut. Its natural live-edge offers a striking juxtaposition to the contemporary stainless base, giving a unique designer look. The size and shape of natural tops will vary. The drawer box includes two full extension drawers, with the lower drawer accommodating legal or letter files.
