

Cromwell

Hampton Long Media Home Office Console

Transitional design in a graphite finish crafted from heavily sand-blasted oak veneers, with striking custom hardware in a nickel finish with a dark glaze. Textured cast inlay, partitioned open compartment for sound bar storage, and grommet for cord management. Six doors with ventilated back. There is one storage drawer and one file drawer that accommodates legal/letter size files behind the left side facing doors. The centre doors open to two adjustable shelves. Behind the right side facing doors are three full extension drawers, open compartments between the partitions 29.75W x 19.25D x 5H, and sound bar compartment 91.25W x 5.75D and 5H inches.
