## Oxford Chair

The sleek horizontal lines of the Oxford series make the design a classic in the making. Generous track arms, a tight back and English seams contemporize the look, while cushion-length kidney pillows accentuate the silhouette. Note how the bun feet with aged brass ferrules and casters ground the design with a touch of traditional. This series is available in fabric or leather. Shown here in 2224-73 Grade 3 fabric with Charcoal finish legs
