Twin Palms Red Coral Chest

Accent pieces attract the viewer because of their design, colour, placement, or pairing and this chest is no exception. The 4-drawer storage with fully finished interior in Red Coral is an added bonus. The chest features leather-wrapped bamboo carved mouldings in the Bermuda Sands finish, with a contrasting woven raffia top, drawer fronts and end panels in a gorgeous Red Coral finish. We include a protective glass top. The chests can be used in a bedroom or paired with a mirror in a foyer to create a distinctive look.
