Greenport Sofa

Button tufted designs showcase the craftsmanship of a skilled upholsterer while providing a tailored comfort ideal for enjoyment. The three ultra down seat cushions and lux down throw pillows, two 20-inch and two 18-inch, enhance personal contentment. The Millstone finish on the bun feet complement the Oyster case goods finish, but may be customized along with the fabrics to suit your preference. Nail head trim may be added to the panel arms and base for an upcharge. Shown here in
