Cobalt Meridian Bar

The Meridian Cobalt Bar is the very essence of a statement piece, with a sophisticated translucent cobalt blue painted doors. Gold striping defines the perimeter, pulling the eye to a custom door pull inlaid with mother of pearl. The base features elegant tapered metal legs and a graceful concave stretcher finished in antiqued silver leaf. Behind the doors is a mirrored back with touch lighting, three adjustable tempered glass shelves, a mirrored serving shelf, two drawers and a black laminated pull-out tray.
