Melange Elongated Sconce in Bronze and Alabaster

Contrasting natural alabaster with metal in rounded forms and unique configurations, the Melange series by Kelly Wearstler blends the organic and the luxurious for a modern chic interior.

Carved alabaster shades create a soft glow on walls and surfaces, while streamlined shapes soften angular or minimalist surroundings. Alabaster contains unique variations in both veining and tone, offering a custom character that is collectible in appeal. Bronze, burnished antique brass, or polished nickel detailing adds contrast and shine. Whether you choose flush mounts, pendants, sconces, or table lamps, Melange lighting create a multi-layered look in living spaces, bedrooms, hallways, and dining areas.
