Braganza Jewel Lamp with matching shade

The colourful adaptation of a classic Indian chintz resembles linen printed fabric with exotic floral and fauna. Catherine of Braganza, queen of King Charles II of England, brought Portuguese trade routes to the British East India Company, spurring fascination with such Asian goods and fabrics.

As part of the WILLIAMSBURG collection, Braganza is a bold and colourful pattern that is produced on lighting and accessories.

The lamp features accents of gold with aged brass hardware. Square Lucite base. Metal aged brass finished ball finial.
