Braganza Ginger Jars

The blue adaptation of a classic Indian chintz resembles linen printed fabric with exotic floral and fauna. Catherine of Braganza, queen of King Charles II of England, brought Portuguese trade routes to the British East India Company, spurring fascination with such Asian goods and fabrics.

As part of the WILLIAMSBURG collection, Braganza is a bold and colourful pattern that is produced on lighting and accessories. Braganza features rich, blue highlights. The jar features whimsical animals and florals for unexpected fun.
