Lake Agawarm Lamp and Shade

After a weekend in Southampton, the Madcap's Jason and John were inspired by the local lake with its glorious flora lily pad flowers. John dashed to paint his version of the picturesque weekend. The pattern Lake Agawam is his interpretation. We hope you love the colourful lamp that celebrates this pattern.

Strong saturated colours on porcelain accent the lamp with a hexagon shaped Lucite base. Brass hardware. Metal ball finial.

Lake Agawarm Lamp and Shade C11 401

Dimensions
